Eligible Investors

The Sub-fund is a Qualified Investor Scheme which is an authorised collective investment scheme for the purposes of FSMA which is authorised and regulated by the FCA under the OEIC Regulations. Only investors who are classified as Eligible Investors under the Regulations may invest in the Fund. Any person who is unsure whether he or she qualifies as an Eligible Investor should contact the ACD.

Should it come to the attention of the ACD that Shares are owned by a Shareholder who fails to meet the eligibility criteria to be an Eligible Investor, or if it reasonably believes this to be the case, the ACD may give notice in writing to that Shareholder that he or she must transfer the Shares which he or she holds to a person that is an Eligible Investor or the Shares must be redeemed or cancelled in accordance with the Prospectus and COLL (including the compulsory transfer provisions in section 3.7 of the Prospectus entitled Restrictions, Compulsory Transfer, Redemption and Conversion). The ACD may, at its discretion and as permitted by the Regulations, delegate this function to the Investment Manager.

A Shareholder which becomes aware that he or she is no longer eligible to hold Shares because he or she has ceased to be an Eligible Investor must forthwith provide the ACD with transfer instructions or request redemption or cancellation of the Shares which it holds.

A **certified high net worth investor** is an individual who has signed, within the period of twelve months ending with the day on which the communication is made, a statement in the following terms:

HIGH NET WORTH INVESTOR STATEMENT

I make this statement so that I can receive promotional communications which are exempt from the restriction on promotion of non-mainstream pooled investments. The exemption relates to certified high net worth investors and I declare that I qualify as such because at least one of the following applies to me:

- I had, throughout the financial year immediately preceding the date below, an annual **income** to the value of **£100,000 or more**. Annual income for these purposes does not include money withdrawn from my pension savings (except where the withdrawals are used directly for income in retirement).
- I held, throughout the financial year immediately preceding the date below, **net assets** to the value of **£250,000 or more**. Net assets for these purposes do **not** include:
 - (a) the property which is my primary residence or any money raised through a loan secured on that property; or
 - (b) any rights of mine under a qualifying contract of insurance; or
 - (c) any benefits (in the form of pensions or otherwise) which are payable on the termination of my service or on my death or retirement and to which I am (or my dependants are), or may be, entitled; or
 - (d) any withdrawals from my pension savings (except where the withdrawals are used directly for income in retirement).

I accept that the investments to which the promotions will relate may expose me to a significant risk of losing all of the money or other property invested. I am aware that it is open to me to seek advice from an authorised person who specialises in advising on non-mainstream pooled investments.

Please note that all holders must sign and date below to confirm their acceptance of the above declaration and to validate this application. If there are more than two holders they should sign and print their name in the white space below.

20. Non-Reporting Financial Institution

The term "Non-Reporting Financial Institution" means any Financial Institution which is:

- (a) a Governmental Entity, International Organisation or Central Bank, other than with respect to a payment that is derived from an obligation held in connection with a commercial financial activity of a type engaged in by a Specified Insurance Company, Custodial Institution, or Depository Institution;
- (b) a Broad Participation Retirement Fund; a Narrow Participation Retirement Fund; a Pension Fund of a Governmental Entity, International Organisation or Central Bank; or a Qualified Credit Card Issuer;
- (c) any other Entity that presents a low risk of being used to evade tax, has substantially similar characteristics to any of the Entities described in (a) or (b) above, and is included in the list of Non-Reporting Financial Institutions provided to the European Commission by the UK;
- (d) an Exempt Collective Investment Vehicle; or
- (e) a trust to the extent that the trustee of the trust is a Reporting Financial Institution and reports all information required to be reported pursuant to Section I with respect to all Reportable Accounts of the trust.

21. Related Entity

An Entity is a "Related Entity" of another Entity if (i) either Entity controls the other Entity; (ii) the two Entities are under common control; or (iii) the two Entities are Investment Entities, are under common management, and such management fulfils the due diligence obligations of such Investment Entities. For this purpose control includes direct or indirect ownership of more than 50 % of the vote and value in an Entity.

22. Active Non-Financial Entity (NFE)

The term "Active NFE" means any NFE²⁴ that meets any of the following criteria:

- (a) less than 50 % of the NFE's gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50 % of the assets held by the NFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income;
- (b) the stock of the NFE is regularly traded on an established securities market or the NFE is a Related Entity²¹ of an Entity the stock of which is regularly traded on an established securities market;
- (c) the NFE is a Governmental Entity, an International Organisation, a Central Bank, or an Entity wholly owned by one or more of the foregoing;
- (d) substantially all of the activities of the NFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an Entity does not qualify for this status if the Entity functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes. In these circumstances, the Entity will be a Passive NFE²³
- (e) the NFE is not yet operating a business and has no prior operating history, but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFE does not qualify for this exception after the date that is 24 months after the date of the initial organisation of the NFE;
- (f) the NFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is reorganising with the intent to continue or recommence operations in a business other than that of a Financial Institution;
- (g) the NFE primarily engages in financing and hedging transactions with, or for, Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution, or
- (h) the Entity is a non-profit organisation.⁵

23. Passive Non-Financial Entity (PNFE)

A Passive NFE is any Non-Financial Entity²⁴ that is not an Active NFE, or an Investment Entity²⁵ that is not a Participating Jurisdiction²⁶ Financial Institution.

24. Non-Financial Entity (NFE)

The term "NFE" means any Entity that is not a Financial Institution.¹⁹

25. Investment Entity

The term "Investment Entity" means any Entity:

- (a) which primarily conducts as a business one or more of the following activities or operations for or on behalf of a customer:
 - (i) trading in money market instruments (cheques, bills, certificates of deposit, derivatives, etc.); foreign exchange; exchange, interest rate and index instruments; transferable securities; or commodity futures trading;
 - (ii) individual and collective portfolio management; or
 - (iii) otherwise investing, administering, or managing Financial Assets or money on behalf of other persons; or

- (b) the gross income of which is primarily attributable to investing, reinvesting, or trading in Financial Assets, if the Entity is managed by another Entity that is a Depository Institution, a Custodial Institution, a Specified Insurance Company, or an Investment Entity described in subparagraph A(6)(a) of the EU Directive on Administrative Co-operation 2014/107/EU. An Entity is treated as primarily conducting as a business one or more of the activities described in subparagraph A(6)(a), or an Entity's gross income is primarily attributable to investing, reinvesting, or trading in Financial Assets for the purposes of subparagraph A(6)(b), if the Entity's gross income attributable to the relevant activities equals or exceeds 50 % of the Entity's gross income during the shorter of:
 - (i) the three-year period ending on 31 December of the year preceding the year in which the determination is made; or
 - (ii) the period during which the Entity has been in existence.

The term "Investment Entity" does not include an Entity that is an Active NFE because that Entity meets any of the criteria in subparagraphs D(8)(d) through (g) of the EU Directive on Administrative Co-operation 2014/107/EU.

This paragraph shall be interpreted in a manner consistent with similar language set forth in the definition of "Financial Institution" in the Financial Action Task Force Recommendations.
